**Re: Chemical Recovery Systems Superfund Site, Elyria, Ohio—
Consent to *De Minimis* Settlement on Behalf of U.S. Chemical & Plastics**

Dear Mr. Nash:

Please find enclosed an executed consent page to the *de minimis* Administrative Order on Consent (ACO) on behalf of U.S. Chemical & Plastics (USC). Please note that the consent page bears my authorized signature as USC's attorney, and I have included my address for future communications directed to Barr. I trust that you will insert the docket number once the ACO is finalized.

If you have any questions, or if any further actions are necessary on our part for USC's entry into the ACO, please let me know. Thank you for your assistance and attention to this matter.

Very truly yours,

Vincent Atriano

Enclosure
